

Guidelines for School and/or Bus Cancellation Due to Inclement Weather

Student safety is the first priority of the *Halifax Regional School Board (HRSB)* when making school cancellation decisions. HRSB staff begins to gather information from various sources beginning at 4:30 am. Staff consults with Halifax Regional Municipality (HRM) staff on road conditions, local weather services, and Stock Transportation. By 5:30 am, staff makes a recommendation to the Superintendent based on the information gathered. If it is safe to have students on the roads and sidewalks, then schools will be open. If not, all or some schools may be closed depending on the weather and road conditions in different areas of the board.

Parents/guardians; winter is coming; do you have a childcare plan in place in the event of a school closure? Do you know what *Family of Schools* your child's school belongs to? Parents/ guardians always have the right to keep their child home from school if they believe that the travelling conditions are unsuitable.

For **full day closures** of all or some schools, the decision will be announced as close to 6:00 am as possible. Announcements will be:

- Posted on the HRSB's website (www.hrsb.ca);
- Posted on the HRSB's Twitter account (HRSB_Official);
- Recorded on the HRSB's School Cancellation Information Line 464-INFO (4636);
- Shared with subscribers to the board's email and text notification system; and
- Communicated to local media outlets.

If conditions deteriorate throughout the day, the Superintendent may **close schools early** when weather or road conditions are considered to be a threat to the safety of students. In the event of an **early school closure**, the announcement will be made by 11 am. **Walking students** will be dismissed at the start of their regular lunchtime.

NEW! On school days when weather conditions exist that it is not safe to open schools at the regularly scheduled time, but it is predicted that conditions will improve, a **2 hour delayed opening** may be considered. Delayed openings would be considered when a severe weather event has concluded but snow clearing or other operations require additional time. Delayed opening may also be considered when the physical plant is experiencing an issue (power, water) and additional time is required to prepare the facility for opening.

In the event of a delayed opening the following will apply:

- School opening will be delayed 2 hours
- Each school will alter morning schedules to best address their timetables.
- Lunch times will not change
- Afternoon class schedules will not change
- Dismissal time will not change.
